Do you believe this practicum student has the knowledge, skills, and attitude required to become an effective student teacher?	Yes
General Comments:	Laura will make a great student teacher. She was always willing to step in and assist when needed. She presented herself in a professional manner at all times and collaborated well with the general education teacher. She naturally adapted and modified her instruction based on the students' goals and needs. She established a great rapport with students' and staff at Centennial. I have no doubt that Laura will make a fantastic special education teacher.
